

# **STX38 Lawn Tractor**

**(Serial No. 210001 – )**

## **OPERATOR'S MANUAL**

**John Deere  
Lawn & Grounds Care Division  
OMM111922 K3**

**North American Version  
Litho in U.S.A  
English**

## INTRODUCTION

---

---

**THANK YOU for purchasing a John Deere product.**

Read this manual and your attachment manuals thoroughly. Failure to do so could result in personal injury or equipment damage.

This manual should be considered a permanent part of your machine and should remain with the machine when you sell it.

Measurements in this manual are U.S. customary units and their metric equivalents. RIGHT-HAND and LEFT-HAND sides are determined by facing in the direction the machine will travel when going forward.

Product warranty is provided as part of John Deere's support program for customers who operate and maintain their equipment as described in this manual. The product warranty is explained on the warranty certificate you received from your dealer.

All photo's in this operator's manual are of the "Hydrostatic" model unless otherwise stated.

Date of Purchase:

# SAFETY SIGNS

## Safety-Alert Symbol

Read and recognize safety information. Be alert to the potential for personal injury when you see this safety-alert symbol.

On your machine safety labels, the words DANGER, WARNING, and CAUTION are used with this safety-alert symbol. DANGER identifies the most serious hazards. In this manual, the word CAUTION and this symbol call attention to safety messages.
